Zig's Bakery strives to provide a variety of delicious food using fresh, local ingredients. Most importantly, almost everything we offer starts from scratch in our kitchen. Some of our recipes like the dinner rolls and Moravian Sugarcake have been passed down from the original bakery which was started in 1970 at a farm house on Green Acre Road in Lititz. The original bakeshop, Minnich's Farm Bakery was sold once in 1988 prior to our purchase of the bakery in July of 2006. In 2014, Brandon partnered with his parents, owners of Country Home Catering, to renovate the barn on Newport Road. Opening Brick Gables in April of 2015 has been a dream come true for the Ziegler family. With the addition of a seating area in our new location, we welcome you to enjoy soup, sandwiches, salads, and specialty drinks in our cafe. If you're short on time we have an abundant selection of deli items and baked goods for you to take on your way. We look forward to serving you!
